From Fixing Cars to Fixing Lives

The Church of the Redeemer Mercy Ministry is pleased to offer free car care and financial planning help to single women. This is through a program called "Car Care Saturday". Even as God has commanded his disciples to "love one another" (John 13:34-35), he has also made it clear that he would have us focus our ministry on single women and their children (James 1:27), especially those in the church but also to those outside the church (Galatians 6:10). We desire to do this by stretching the money a woman has. By keeping her car in good running condition, it is available for reliable work transportation and family needs. By providing financial counseling, the money she has available to her goes further.

Where and When?

When possible, we schedule Car Care once a quarter and announce the particular date several weeks in advance. Car repair and financial counseling is by appointment only.

Car Care Saturday is at Tire Town on Hwy. 74 starting at 2:00. Children are welcome.
