

WENDY EUNICE

Campus Outreach

weunice@campusoutreach.org

Ministry:

Campus Outreach to College Students

Location:

Wingate University, University of NC at Charlotte, University of NC at Greensboro, Davidson College, Elon University

Her Work:

Wendy provides leadership to the Campus Outreach (CO) staff of the above college campuses. She meets with a team of area directors who shepherd and train the CO staff on these campuses and her primary investment is in the lives of the staff women and in the administrative area. Wendy focuses on two campuses each week and meets with the Area Director to discuss training needs and ministry needs of the staff and students on those campuses. She travels to one of these campuses each week and meets with the staff and students on that campus and participates in some of the weekly evangelistic meetings and Bible studies.

Wendy truly invests her life in the lives of the young women she comes into contact with. She is a wonderful advisor/mentor/shepherd to these women in matters of faith and life and how one can best serve Christ in all areas.

Pray:

Pray for Wendy's personal prayer, study, & worship of God on a daily basis. Pray for the many events designed to reach out to college students that God would bring about change in these student's lives.

Pray that Wendy's travels to the various campuses would be fruitful for the staff & students she goes to minister to.

Birthday April 4th
