

## NEW HARVEST MISSIONS

[www.nhminternational.com](http://www.nhminternational.com)

### **Ministry:**

Church Planting, Leadership Training

### **Location:**

West Africa

### **Their Work:**

This is an inter-denominational ministry with a vision to spread the gospel of Christ and advance His kingdom through an indigenous church planting movement in West Africa. They plan to develop a generation of church planters and leaders with the passion to reach their own people for the Lord Jesus Christ in West Africa. They have a commitment to focus on harvesting the unreached people in different countries, regions, cities and what has been termed “the Northern Tier countries,” which is a territory comprised of many Islamic nations of West Africa.

### **Pray:**

Pray for the leadership of New Harvest Missions—that they would look to Christ for clear guidance and direction for this ministry.

Pray for the church planters and pastors—they are ministering in a difficult and spiritually hard place in the world.

Pray that God would soften the hearts of those who believe in voodoo, animism, etc.—that they would receive His good news through New Harvest Missions.

Pray for the partnership forming between Church of the Redeemer and New Harvest Missions.
