Ministry:

Church Planting

Location:

Monterrey, Mexico

Her Work:

Susan has been on staff with Mission to the World and serving in Northern Mexico for 14 years. She has been in charge of short-term teams for many years and enjoys hosting visitors during vision trips. Susan also spends time mentoring women, fulfilling her role as seminary librarian for multiple cities, and taking part in women's ministry programs and children's ministry programs. She was also part of the core group that supported La Casa de Dios—a church plant supported by Church of the Redeemer. This church has now particularized and Susan is very active in using her gifts to help this church continue to grow.

Pray:

Pray for continued improvement in Susan's health and stamina.

Pray for strengthened relationships with her supporters.

Pray that many people would gain enthusiasm for missions by Susan's presentations and testimony.

Pray for Susan's financial deficit—that she would find new financial supporters.

Pray that Susan's support raising will go well so she can return to Mexico sooner rather than later, but in God's perfect timing.

Birthday: Susan 10/20
