Ministry:

Campus Outreach to College Students

Location:

Elon University, University of NC
at Greensboro, Wingate University

Their Work:

Clint, Rachel, and Eden moved to Greensboro last year so he could take over responsibilities as the Triad Area Director for Campus Outreach. His new responsibilities include shepherding the CO staff, leading the various campus ministries to multiply, training and oversight of staff's support raising, keeping the staff focused on their own faith walk while they lead others to walk with Christ, and connecting the campus ministries to area churches so the college students can be connected to a church and see what it means to be involved in a church family. This is just a partial list of Clint's responsibilities! As you can see, this family is busy doing God's work. They are also excited about news of a new baby joining their family later this year!

Pray:

Pray for a healthy pregnancy for Rachel—due in mid-October 2010.

Pray for Clint to be a good leader to his family in addition to his leadership responsibilities with Campus Outreach.

Pray for new financial supporters .

Pray for Clint as he takes over as Director of the Summer Beach Project.

Pray for them to find a good 2nd car for their family at a reasonable price.

Pray for them to grow into their new church family at Friendly Hills PCA Church in Greensboro.

Birthdays: Clint 10/27, Rachel 7/22, Eden 11/13, Anniversary 11/4
