### Ministry:

Church Planting

### Location:

Monroe, North Carolina

### Their Work:

Ernesto and Awara & their two daughters—Kathryn—16 and Amanda—14 have been busy the past 4 plus years planting a Hispanic PCA church in Monroe that reaches out to the growing number of Hispanics in this area. They reach out through street evangelism, ESL classes, bread/food/clothing distribution, Bible study, counseling, interpretation, and a variety of other ways. This is difficult and often slow work but has resulted in praise to the Lord with many receiving Christ as their Savior and even one church member planning to attend seminary this Spring!

### Pray:

Pray for the Fernandez family as they carry a heavy load growing this church. Pray for daily strength and renewal for their physical and spiritual needs.

Pray for an increase in their financial support and for faithfulness in those already supporting this ministry.

Pray for the ESL program. It is currently without a coordinator.

Pray for the families already involved in Iglesia—that they would grow in their faith, seek to serve God and share His love with others around them, especially those in the Hispanic community.

Pray that God would bless Iglesia in 2010 with many new regular attenders.
