Ministry:

Church Planting

Location:

Charlotte, North Carolina

Their Work:

Ken and Lynn along with their 5 children—Katie, Oliver, Margaret, Karen, and Rebekah have uprooted themselves from the Southern Pines area to plant a church in the Steele Creek area. Ken planted Sandhills Presbyterian Church and pastored it for 15 years. The new church will have its' first public worship service at Southwest Middle School on March 28th. The family has been busy with home study groups and establishing a solid core group committed to planting this new church while transitioning into new schools, new friends, and a new place to live! Their daughter, Katie, is married to Michael and lives in Columbia. Oliver is a Senior at Wingate, Margaret is a Sophomore at Covenant, Karen is a Senior in high school, and Rebekah is in 8th grade. Lynn stays busy keeping track of everyone!!

Pray:

Pray that a minimum of 50 people will attend their first worship service on Palm Sunday.

Pray for the men involved in the Monday night discipleship meetings, that they would be servant-leaders for the rest of their lives.

Pray for the long range plans to start Sunday morning services in September.

Pray for God to bring both unbelievers and believers that want to reach out to this community.
