## Ministry:

Campus Outreach to College Students

## Location:

Wingate University  
Wingate, North Carolina

## Her Work:

Kelsey has been serving on the Wingate University campus since February 2008. She is the Women's Coordinator which means she's responsible for leading and directing the women involved in the ministry and helping to shepherd the Campus Outreach movement as a whole. Kelsey shares her faith, leads Bible studies, prays for and with the students, and plans the weekly meetings and events. Her goal is to develop these women to be leaders in the Kingdom and to be aware of and use their spiritual gifts in the context of a local church setting so they will be active in their own churches when they leave the Wingate campus.

## Pray:

Pray for wisdom and endurance in the many areas that Kelsey is responsible for.

Pray for Kelsey's personal walk with the Lord. That her quiet times with Him would be fruitful and her faith would grow deeply.

Pray that the Lord would continue to raise up laborers on the Wingate campus.

Pray that there would be deep abiding community among the student leaders.

Pray for financial stability for Kelsey's ministry.
