Pray:

Pray for strength, stamina, and good health for Carol.

Pray for Carol to have deepened relationships on the field in Monterrey.

Pray for her willingness to submit to God's authority over her and that she would have a quiet and gentle spirit.

Pray for her 85 year old Father's health and for peace for Carol as she is away from him in his declining years.

Pray for Carol's financial deficit and for wisdom among the Northern Mexico Partnership as to how their resources are spent.

Pray for more people to come to Christ in Mexico.
